## 2009 Malbec

Zucca is excited to present to you a new wine in the library! This little grape helped put Argentina on the map and is known for it's exotic flavors.

We were drawn to it because of it's character and felt that it would be bring some diversity to our selections, plus it is fun to do new things! You will find that this wine is like a forbidden love affair: "hot and spicy", rich fruit punches through notes of vanilla, cocoa and tobacco with energizing zest!

Become a wine club member and enjoy this great wine at super discounts!
